Subject: Compatibility of patented Novinium ® Injection Adaptors with DSG-CANUSA Medium Voltage Splices and Terminations

To whom it may concern:

Novinium has advised DSG-CANUSA that Novinium has engaged an independent test lab to perform ANSI C119.4 tests on Novinium injection adaptors (IA's) installed on compression connectors.

DSG-CANUSA is not aware of any design disharmonies, which might occur from the combination of properly assembled Novinium IA's in DSG-CANUSA Medium Voltage Splices or Terminations.

DSG-CANUSA makes no warranties, expressed or implied, regarding the performance of Novinium technology when used in combination with DSG-CANUSA Medium Voltage Splices and Terminations.

Sincerely

Tom St. John
